

FTP LUX DISTRIBUTION

**Empower Your Life with High
Quality Solar Panels,**

YOUR ONE-STOP-SHOP FOR SOLAR ENERGY SUPPLIES

At FTP General Trading L.L.C, we specialize in integrating and distributing a wide range of solar PV components, including inverters, modules, structures, batteries, and complete balance-of-system solutions. Our strategic partnerships with leading manufacturers allow us to offer the best coverage for all types of solar projects, ensuring that our clients have access to the most advanced and reliable products available in the market. We are committed to providing our clients with the highest level of service and support

RESPONSIBLE PROCUREMENT

Not all solar is equal. We carefully select and audit our suppliers and partners throughout their life- cycles, including their management, environmental, and occupational health and safety standards. To source materials and suppliers with values and practices aligned with Hassein Filali For Building Contracting Co. L.L.C , we require all our suppliers to have ISO19001,ISO14001,OSH 18001 certifications.

JinkoSolar (NYSE: JKS) is a global leader in the solar industry with an integrated annual capacity of 10.5 GW for silicon wafers, 7.0 GW for solar cells, and 11.0 GW for solar modules, as of March 31, 2019. Jinko has been repeatedly ranked as the number 1 module manufacturer by global shipments. In addition to being ranked as a top solar brand in debt financed projects, it was named the most “bankable” PV manufacturer by Bloomberg New Energy Finance (BNEF).
